# Specialist Investigation Services

# Specialist Investigation Services

*Charles Taylor Specialist Investigation Services leaves no stone unturned when it comes to validating Aviva's insurance claims - even if a claim comes from a far-flung corner of the world. Their tenacity and experience, together with their global network of investigators ensure that they continually protect our bottom line, whilst treating all our customers fairly.*

*They also refine their processes constantly, to improve what is already an excellent service, and the results speak for themselves.*

David Royal, Claims Fraud Manager, Aviva UK

*As a global insurer, it is imperative that Allianz Global Corporate & Specialty works with partners who can enforce our zero tolerance approach to tackling fraud wherever it is suspected around the world. In Charles Taylor, we have a partner that we know we can count on to carry out proportionate and professional investigations in an ethical and compliant way.*

*The trust that we place in Charles Taylor to handle complex investigations and deliver the right outcomes is the greatest endorsement we can make of the services that they offer.*

Gareth Davies, Head of Fraud - Allianz Global Corporate & Specialty

**As a multi-sector investigations division, we are highly experienced in handling fraud cases all over the world, ranging from a multi-million-pound art theft to open source and social media profiling, across all lines of business.**

No two counter fraud philosophies are the same which is why we work collaboratively with our clients to build tailored claims fraud responses. We offer investigations on a retained/ delegated authority basis, as well as a 'white label' solution.

Our investigation services are provided to all staff at Charles Taylor, our insurer clients, the legal sector, TPA's and corporate multi nationals.

Every member of the Specialist Investigation Services is a certified professional investigator or is working towards attaining a professional fraud qualification.

# Specialist Investigation Services

## Our Services

## Innovation

We are constantly challenging ourselves to professionally evolve and bring best practice to all our clients.

Education and being a thought leader is at the cornerstone of everything we do and we are very proud to have launched Charles Taylor Fraud Academy to provide class leading education to our internal staff and clients.

### AI Fraud Detection

Our automated fraud detection software validates and fast-tracks genuine claims, improves fraud identification and savings and reduces claim cycle times.

It's an SaaS platform that uses machine learning to continually improve fraud detection, and it can be connected to relevant external data sources to gather additional insights. When combined with our fraud investigation services, it provides an end-to-end solution to reduce the cost of fraud.
